

SHIVAJI PHADKE: INH000016214- Privacy Policy

✔ Data Collection and Types

- 1. Personal Data:** Full name, email, contact details, address, and usage data are collected for user identification, communication, and service enhancement.
- 2. Device & Usage Information:** Automatic collection includes IP address, browser details, device IDs, and Service usage patterns.
- 3. Third-Party Data:** Data from social media or other linked platforms may be collected with your consent when you sign in or interact through those accounts.

✔ Consent and Usage

- 1. By using the Service, users consent to the collection and usage** of data as outlined in the policy.
2. Collected data is used to provide core Service functionality, communicate with users, perform contractual obligations, and maintain regulatory compliance.

✔ Cookies and Tracking

- 1. Cookies and tracking technologies** (such as web beacons and tags) are used to personalize user experience, authenticate sessions, and analyze website usage trends.

✔ Data Retention and Deletion

- 1. Data is retained only as long as necessary for stated purposes** and legal obligations.
- 2. Right to delete or amend personal data:** Users can update, correct, or request deletion of their personal data, with certain legal exceptions.

✔ Data Sharing and Transfers

1. Information is shared only under specified circumstances: with Service Providers, for business transfers, to affiliates, business partners, with user consent, or as required by law (e.g., government agencies).
- 2. Transfers:** User data may be transferred or stored outside the user's home jurisdiction, with safeguards for security and privacy.

✔ Rights and Security

- 3. User rights:** Full transparency regarding the right to access, correct, or delete personal data, as well as explicit instructions for exercising these rights.
- 4. Security Commitment:** Reasonable protection measures are taken, but users are notified that absolute security cannot be guaranteed over the Internet.

✔ Children's Privacy

1. No intentional data collection from users under 13 years of age. Parental contact/action is required if such data is discovered.

 **Legal Disclosures**

1. Data may be disclosed for legal requirements, to protect rights and property, prevent potential misconduct, or pursue legitimate interests.

 **Updates and Contact**

1. Policy updates: Users are notified of material policy changes via email or notice on the site. The latest update date is clearly shown.

2. Contact: Users can contact the firm via email, phone, or post for privacy concerns.
